If you receive an email to complete a questionnaire from Splunk, it is important that you take the time and complete the questionnaire quickly and accurately. Other downstream processes are dependent upon you completing the questionnaire.

Tips:
1. Click the link in the email to be directed to Ariba to start the questionnaire.
2. You will be asked to either sign in (if your company already has an Ariba Network account) or create an account.
3. If you have issues logging into Ariba or technical issues, complete this form and someone from Ariba will follow up with you.
4. For a short demo video navigating the Ariba Network as a supplier and how to reach out to SAP Ariba directly, please click HERE.
